II The Comptroller also solicits orders of Govt to render the post of the auditor of Civil Court accounts permanent & attach it to his office.

W 4 Govt order No. R 301-2 dy 16/8/1901 - appointing Mr. Gopalacharya as a Civil Court auditor on Rs 100-10-150 as a temporary arrangement is put up herewith.

V According to a subsequent order No. R 1548 dy 12/4/1902 it would seem it was the intention of Govt that "when the scheme of outside audit is properly organised the Special auditor may be included in it".

12 Where it is stated that in pursuance of G.O. 1548 of 12-4-02, the Comptr has been directed to absorb Mr Sopher's pay, the auditor of the Civil Courts in the Local Audit Scheme when the same would be sanctioned. In the proposals now sent up, he has not been absorbed but his place is also reported where made permanent.

13 Again, the Comptroller suggests that the Conveyance allowances of each drawn hitherto by the two outside auditors of this office may be continued when as they will be used for audit work at Headquarters. The local audit Scheme now sanctioned does not provide for any such allowances and it is for consideration whether this should be continued. If this recommendation is for good work done & there is no, may not the Comptr be requested to give these men from whom as may be necessary to allow for such this Extra Expense.

14 The points therefore pressing in this Case are:-

(1) Whether Mr Sopher's place should be absorbed against one of the two places

The Comptroller proposes that

the appointment of Civil Courts Auditor - Sanctioned as a temporary measure in 1902 - should be made permanent & added to the Local Audit Dept. This would be an addition to the establishment specified in para 5 of G.O. No 2324-F - F. 213-08 of 10-11-10. In the order of 1902 it is stated that the appointment should be included in the Local Audit Dept when such a dept was organised. But apparently the recent proposals did not take in the appointment in the scale. Hence the addn now proposed.

2. In regard to the conveyance allce granted to the auditors employed in auditing the accounts of ~~the~~ offices in Bangalore there seems to be no sufficient reason to continue the allce. The auditors will take their turn with others & go to the mofussil & earn travelling & halting allce While at headqrs they have not much travelling to do every day as the audit of each office takes about a week

or a fortnight or more, all that the auditor has to do is to attend that office instead of the Comptroller office. There is no constant travelling to do to justify the grant of the allce the allce was first sanctioned in 1904 ~~when~~ when such questions received less strict scrutiny than now. ~~The allce may therefore cease.~~ The continuance of the allces were not proposed by the Compr in the ~~scale~~ proposals recently sanctioned.

Comptroller to the Government of His Highness the Maharaja of Mysore.

To

General and Revenue *Department.*

SIR,

With reference to Government Order No.Fl:2324-9 Cl:Fin:213-08 dated the 9th November 1910, regarding the reorganization of the State Huzur Treasury and the organization of a Local Audit Department, I have the honor to state that I have given full instructions to one of my Assistants and have deputed him to revise the Huzur Treasury work on the lines indicated by Government. I shall shortly submit my proposals both as regards the distribution of work and the establishment of the Huzur Treasury.

2. In regard to the Local Audit Department the number of hands sanctioned for it in the grade of Examiners and Assistant Examiners are 1 and 2 respectively. Including the vacancy caused by the voluntary retirement of Mr.Kallappa already reported in my No.3096/R156 dated 25-11-10 the numbers of appointments to be substantively filled up in the grades of Examiners (100-10-150) is 2. In the grade of Assistant Examiners (Rs.70-100) two new appointments are created and there is one vacancy in the chain of Mr.Kallappa. I beg to submit for sanction the following proposals:

the grade of Examiner on 100-10-150 to be confirmed in that grade.

(2) Mr.A.Narasimha Murti who has been in the 75-5-100 grade of the Public Works Branch of my office since 1st July 1908 and who has been drawing the maximum pay of that grade since July 1909 to be appointed as ... Examiner on 100-10-150 (Civil Branch).

(3) Mr.A.Balakrishna Moodr: who is the most senior of the Assistant Examiners and who is also an intelligent hand to be sub-pro-tem in the grade of Examiner in place of Mr.Murti Rao confirmed.

(4) Messrs M.A.Rangachar, B.A., and L.V.Srinivasa Iyengar who have been sub pro tem in the grade of Assistant Examiners to be confirmed in that grade.

(5) Mr.A.Narasimhachari, B.A., now in the Office of the Conservator of Forests to be appointed Assistant Examiner in the arrangement of filling up the vacancy caused by Mr.Kallappa's retirement.

(6) Mr. Bhima Rao, B.A., Taluk Sheristadar of Shimoga to be sub pro tem in place of Mr.Rangachar confirmed.

(7) Mr K. Subramangam B.A., Clerk of the General and Revenue Secretariat to be sub pro tem in place of Mr.L.V.Srinivasa Iyengar confirmed.

3. I have already reported to Government (Vide letter No. 3871/A254 of 3-2-10) the dearth of good men in my office and the fact that the higher grades are not manned by the required number of efficient men. Considering that none of the men left unpromoted in the first grade of Accountants are fit to take up the responsible duties of Assistant Examiners, I have thought it fit in the interests of the office to introduce some fresh blood by bringing in from other Departments graduates who have been tried and found competent. All my Assistants ~~in my office~~ whom I consulted in the matter agree with me that the introduction of intelligent and capable men into this office is absolutely necessary in the interests of

of the office. I have selected the men taken from outside (Messrs Narasimhachari, Bhima Rao and Subramanyam after personally satisfying myself that they are really good and deserving men. I have also obtained the consent of the Heads of offices in which these men are now serving.

4. I have as far as possible absorbed the appointments that have been ordered to be reduced in my office and the net result is that there will be two supernumeraries in the Rs.25 - grade and these will be absorbed as vacancies occur.

5. As two of the Auditors of the Local Audit Department will always be engaged at Head Quarters to do the work hitherto done by the Outside Audit Establishment, I beg that the conveyance allowance of Rs.10/- each already sanctioned may be continued to these two men.

6. In this connection I would bring to the notice of .. Government that the appointment of the Auditor of Civil Court Accounts has been temporary for the last nine years, and that so far as I can see this appointment is a necessary one and should be made permanent. The appointment is borne on the Comptroller's Establishment and the work the auditor is doing is really of the nature of local audit. I beg therefore to request that Government may be pleased to make it permanent and attached to my office. He will however continue to work under the orders of the Chief Court. I make this request because the necessity of providing a permanent place for the Civil Court Auditor on my staff and managing with sub pro tem arrangements in his place causes great inconvenience in making arrangements specially when men have to be brought from other Offices in the State.

7. In conclusion I beg to report that pending orders of Government I am arranging for the organization of the Local

Audit

Audit Department which has been ordered by Government to be done "Without delay" I beg therefore the favour of .. very early orders being passed to the arrangements proposed above.

I have the honor to be,

Sir,

Your most obedient servant,

J S Chakravarti
